## TOP REQUESTS:

1. Please be patient the first couple of weeks of the school year. It can take that amount of time for all ride reservations to be made, coordinated, and accommodated.
2. Please review the Bus Rules with your child(ren). Make sure they understand our drivers will not tolerate bad behavior. The first infraction will have us contacting you, the parent. The second infraction will result in suspension of service.
3. It is the responsibility of the Parent/Guardian to contact *I-Ride* with any ride changes and please notify your child(ren) of any changes.
4. If your child(ren) will not be riding due to illness or other absence, please CALL *I-Ride* to cancel the ride. This is a courtesy not only to us, but also to other riders who must wait for someone not riding!
5. Please contact *I-Ride* with any contact information changes. If there is an emergency, we will need updated phone numbers to contact you.
6. When inclement weather arrives, remember to listen to your local radio station or turn on TV 9&10. There will be announcements regarding our service availability.
